# TEAM-BUILDING DISCOVERY KIT

IS YOUR TEAM READY  
FOR THE NEXT LEVEL?

Discover your uniqueness

Develop unity with your team

Turn chaos into cooperation

Gain a new approach to problem-solving

*"This is a powerful tool. By learning each person's individual strengths and areas for improvement, you can really begin to function better as a team. Those strengths add value and productivity to your team. The only word I can use here is 'revolutionary.' By knowing how people primarily operate and see life, I am in a much better position as team leader to invest into their lives."*

**Craig Jutila** – Children's Pastor, Saddleback Church

The **Leading From Your Strengths Team-Building Discovery Kit** is designed to help you and your team better understand your unique strengths and how to blend and build those strengths in a way that helps you be more productive, efficient, and creative than ever before. *“Promise Keepers has had a long standing relationship with Dr. John Trent. His work in team building has always been of great interest to our ministry. Promise Keepers saw early on the power and potential in using the Leading From Your Strengths Assessment and for the last three years, we have engaged every staff member in the process. Rodney Cox has been very instrumental in coaching us in understanding our strengths and blending our differences. This powerful tool has worked well in building communication and understanding. I heartily endorse this assessment tool for any organization.”*

**Gary L. Hansen** – Director of Human Resources, Promise Keepers

*“Prison Fellowship uses the Leading From Your Strengths assessment tool and training materials for our Leadership Institute. We want to keep our focus on serving the Lord and advancing His kingdom. We use LFYS to train our staff on solving problems before they surface; as a coaching tool to help resolve conflict within a ministry team; and placing staff in positions that match their strengths and abilities.”*

**Chuck Colson** – Founder & Chairman, Prison Fellowship.
